

GHA Invites You to Attend An Educational Program

The Ever-Changing Challenges of a Woman with a Bleeding Disorder

Speaker **Jeanette Cesta**

Join us for some companionship and education as we discuss being a woman with a bleeding disorder. Spend time with other women and share experiences and challenges - any topic is fair game, from periods to childbirth; sexuality to menopause. Come learn about the many resources available to help empower us to be in control of our Bleeding Disorders and connect with women of the community!
