THREE STEPS TO MAKING A BENEFICIARY GIFT

Did you know that the beneficiaries named on a retirement plan or life insurance policy determine who will receive these funds, even if they are designated differently in your will? Did you also know that funds remaining in your IRA may be subject to multiple taxes if left to your estate?

If you are considering including a gift to The New England Hemophilia Association in your will, we have a simple solution. Name the New England Hemophilia Association as a beneficiary or partial beneficiary of your retirement plan and leave other less-taxed assets to your family.

IT'S EASY AS 1, 2, 3!

1

Request a "change of beneficiary" form from your plan administrator.

2

List **Gateway Hemophilia Association** as beneficiary at the following address:
4976 Eichelberger St.
St. Louis, MO 63109

3

Inform us of your intentions so we can thank you!

Gateway Hemophilia Association is a non-profit, community-based organization, dedicated to the advocacy, education and support of families affected by bleeding disorders.
