Mission Statement

Gateway Hemophilia Association is a non-profit, community-based organization, dedicated to the advocacy, education and support of families affected by bleeding disorders.

Greetings Friends,

We are thankful for the financial and volunteer support in 2022. GHA provided opportunities to gather as a community and to provide the most relevant and effective resources. Most of our programs were in person, but we still offered a few virtual programs. GHA was fortunate to have 111 volunteers serving over 1,200 volunteer hours to assist our mission. Some highlights are listed below.

GHA offered 28 various programs consisting of 49 days of events. Five trainings over fourteen days, two advocacy initiatives over 3 days on a state and federal level, five fundraisers, six general educational program, two women's programs over four days, two men's programs over four days, one teen program, three membership meetings over four days, two targeted programs over eight days (Adult retreat and camp).

Photos below are the annual Spring Membership Meeting in February. Members gathered for an update on GHA, latest treatment options, and connection.

GHA members and staff advocated both on a state and federal level. Members brought awareness to our elected members of the harmful effects of accumulator adjusters.

Above is a snapshot of the Unite for Bleeding Disorders Walk and 5K.

Camp Notaclootamongus hosted an in person camp after two years of virtual camp. The theme was the Great Outdoors. Campers had the opportunity to reconnect with friends and participate in a variety of traditional camp activities.

There are several ways to get involved. You can attend our many educational programs, volunteer at our events, or give back through donations, many companies have matching contributions. Our women, men and teen groups provide opportunities to make connections with others who are also navigating life with a bleeding disorder.

GHA is a community of sharing, whether it's providing help when you or your bleeding disorder's family is in need, or you are helping others in need. GHA is here to serve you; this is a community organization. We hope you will build a strong bond among those coping with a bleeding disorder.

Financial Overview
