

Gateway Hemophilia Association

a non-profit, community-based organization, dedicated to advocacy, education, and support of families affected by bleeding disorders.

This charity event provides crucial funding necessary to support GHA's overall mission to find better treatments and cures for bleeding disorders and to prevent the complications of these disorders through education, awareness, advocacy and research.

In fulfillment of our mission, GHA provides programs and services throughout the year to the children and families in the community. These include a teen retreat, national conference scholarships, emergency financial assistance, bleeding disorders camp, Family Education Weekend, support groups for men, women, and teens, and a youth golf team.

The youth golf program provides an opportunity for children to learn and participate in a non-contact sport that they can continue to play the rest of their lives. Our program provides golf clubs, basic instruction, and access to a golf course to help engage children in this game.

In addition to a wonderful day of golf at The Legends, a premier facility, we invite you to participate in our special contests, raffles, and both our silent and live auctions that will take place the day of the tournament. Your tax-deductible donation will help ensure the important work of GHA continues.

Special Contests:

Closest to the Pin, Men/Women
Hole in One
Longest Drive, Men/Women
Putting Contest

**Thank you for your participation
and continued support!**
